NEWS RELEASE

TSX-V: CMB  
OTCQB: CMCXF  
Frankfurt: ZM5P

## CMC Metals Announces Upcoming Events

**January 19, 2023. Vancouver, B.C. – CMC Metals Ltd. (TSX-V: CMB) (Frankfurt:ZM5P) (CMCXF: OTCQB) (“CMC” or the “Company”)** is pleased to announce that it will be exhibiting and presenting at the Metals Investors Forum (Vancouver) – January 27-28, and the Cambridge House Vancouver Resource Investment Conference (Vancouver) – January 29-30, (see attached event notice). The Company will also be issuing an update of its 2020 activities and plans for the 2023 exploration season next week.

Kevin Brewer, President and CEO noted “We look forward to meeting current and potential investors and other interested parties at this conference. We are very optimistic about our upcoming exploration season and this presents an opportunity to learn more about the specifics of our plans. Please come and see us at these events. If you cannot make these events feel free to contact me at anytime.”

### ***About CMC Metals Ltd.***

CMC Metals Ltd. is a growth stage exploration company focused on opportunities for high grade polymetallic deposits in Yukon, British Columbia and Newfoundland. Our polymetallic silver-lead-zinc CRD prospects in the Rancheria Silver District include the Silver Hart Deposit and Blue Heaven claims (Yukon), Amy and Silverknife claims (British Columbia). Our polymetallic projects with potential for copper-silver-gold and other metals include Bridal Veil, Terra Nova and Rodney Pond (central Newfoundland) and Logjam (Yukon).

On behalf of the Board:

**“John Bossio”**

John Bossio, Chairman  
CMC METALS LTD.

“This news release may contain certain statements that constitute “forward-looking information” within the meaning of applicable securities law, including without limitation, statements that address the timing and content of upcoming work programs, geological interpretations, receipt of property titles and exploitation activities and developments. In this release disclosure regarding the potential to undertake future exploration work comprise forward looking statements. Forward-looking statements address future events and conditions and are necessarily based upon a number of estimates and assumptions. While such estimates and assumptions are considered reasonable by the management of the Company, they are inherently subject to significant business, economic, competitive and regulatory uncertainties and risks, including the ability of the Company to raise the funds necessary to fund its projects, to carry out the work and, accordingly, may not occur as described herein or at all. Actual results may differ materially from those currently anticipated in such statements. Factors that could cause actual results to differ materially from those in forward looking statements include market prices, exploitation and exploration successes, the timing and receipt of government and regulatory approvals, the impact of the constantly evolving COVID-19 pandemic crisis and continued availability of capital and financing and general economic, market or business conditions. Readers are referred to the Company’s filings with the Canadian securities regulators for information on these and other risk factors, available at [www.sedar.com](http://www.sedar.com). Investors are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements. The forward-looking statements included in this news release are made as of the date hereof and the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities legislation.”
